

VICTORIA'S SECRET BOMBSHELL SEDUCTION

Sheer. Sensual. Seductive.

THE STORY

Introducing Bombshell Seduction, a sensual sister to our best-selling Bombshell fragrance.

Dressed in nude. Sheer attitude. Quiet confidence. Feminine glamour.

This Bombshell knows the power in leaving something to the imagination.

How do you start a Bombshell Seduction? With a fresh fusion of Spicy Pink Peppercorn and the purest Sage from the South of France. Inspired by our signature ribbon, our perfumers designed the accord to evoke the cool touch of satin on bare skin. The spice of the peppercorn and the clarity of the Sage blend for an airy, refreshing feel. It's the perfect lead-in to the uber-feminine, floral heart of the fragrance, a trio of Tuberose, Stephanotis and Jasmine. These florals are in the nude: raw nuances of green, lush floralcy. Sheer beauty, embodied by the blushing nude of our bottle. Rich Woods and Velvet Musk add sexy, skin-like warmth to our bouquet, a sexy end-note to our seduction.
