## **NEW VICTORIA'S SECRET ANGEL ALEXINA GRAHAM!**

Charismatic and beautiful are two words that are commonly used to describe Alexina Graham. She was born and raised in Nottinghamshire, Great Britain. As a child she started studying ballet when she was six years old. Dance was her introduction into modeling, by teaching her to move her limbs, look elegant and understand how to be in front of a camera and connect with it. She then went on to participate in a theatre group at age fifteen. Singing in public gave her the confidence to pursue modeling.

She made her modeling debut in Burberry's Spring 2009 Campaign. Alexina was an instant success, and rapidly reached the heights of the fashion industry.

She consistently works with the industry's most talented photographers: Daniel Jackson, Phil Poynter, Russell James, Mariano Vivanco, Kacper Kasprzyk, Ellen Von Unwerth, Walter Chin, Tung Walsh, Philip Gay, Victor Demarchelier, Kenneth Willardt, Jan Welters, Sofia Sanchez & Mauro Mongiello and Jerome Duran.

Also in top demand with the most noted designers, Alexina has done extensive runway work in numerous collections from New York, Milan, to Paris, for the likes of MaxMara, Brandon Maxwell, Balmain, Jean Paul Gaultier, Giorgio Armani, and Zimmerman. She has also shot advertising for brands such as Burberry, Balmain, Brunello Cucinelli, Aquascutum, Sportmax Code, Brooks Brothers, and L'Oreal.

In 2017 she made her debut at the Victoria's Secret Fashion Show in Shanghai. Since then she has collaborated closely with the brand, walking in the 2018 Victoria's Secret Show in New York and shooting the brand's advertising with Russell James and Jerome Duran. In March 2019, Alexina was contracted as a Victoria's Secret Angel.

Dancing and singing remain Alexina's passions. Currently she resides in NYC.
