# VICTORIA'S SECRET VERY SEXY OASIS

## THE STORY

Transport yourself to a blooming secret garden.

A trio of heady, white florals—tuberose, camellia, and orange flower—come together in a creamy, exotic bouquet. Balanced by a hint of bright citrus at the top and layered on a foundation of succulent greens and earthy woods, this big, white floral is the luxurious, private escape you deserve.

## FROM THE PERFUMER

*"There is something inherently beautiful about the wild, raw and unfiltered beauty of nature. The magic of sunlight striking the open, vulnerable velvet petals of a fragrant tuberose flower and willing it to exhale its stunning scent into the air.*

*I wanted to capture this lush moment in time, calling to mind all of the key elements through fragrance: the warm, golden light, an intoxicating floral essence, fresh air and succulent greens, sun-struck skin. The result is an irresistible oasis in a bottle."*

—Master Perfumer, Stephan Nilsen
