VICTORIA'S SECRET BOMBSHELL SUNDRENCHED

Let the Sun Shine In.

THE STORY

Introducing Bombshell Sundrenched, a limited-edition sister to America's No. 1 fragrance, Bombshell. Glowing and golden, the fragrance opens with a fresh splash of coconut water. At the heart is our signature sunset coral peony, one of the first peonies to bloom in early summer. This delicate floralecy blends with the bright, tropical juiciness of guava blossom. The beach vibe comes from our exclusive warm sands accord, which feels like salty sea spray and sunkissed skin. It's a glam vacation in a bottle.

FROM THE PERFUMER

"In creating this fragrance, I wanted to capture the moment when the sun sets and paints the summer sky. That golden glow and sense of carefree joy is bottled in this solar, warm and lightly invigorating scent."

— Master Perfumer, Nathalie Benareau
