**THE STORY**

**Real, authentic, true.**

**This dewy, floral fragrance has a secret ingredient: you.**

A floral extension of its original, Bare Rose Eau De Parfum borrows Bare's blend of proprietary musks to mix with your body chemistry for a unique signature scent. This textural fragrance opens with the crisp, freshness of pear skin. At the heart, exquisite Rosa Centifolia reveals a captivating, velvety trail that's both effortless and vibrant. Entwined with an unexpected blend of sheer woods, the scent finishes with the creamy warmth of cedar and Dreamwood®, an exclusive Firmenich ingredient, inspired by the iconic Mysore sandalwood.

This bloom becomes you.

**FROM THE PERFUMER**

*"We wanted this fragrance to become an extension of the wearer, offering a second-skin feel with texture from the rose. It is true beauty."*

— Principle Perfumer, Frank Voelkl
