## THE STORY

**Real, authentic, true.**

**This creamy, spiced fragrance has a secret ingredient: you.**

A textured extension of the original, Bare Sueded Vanilla Eau de Parfum borrows Bare's blend of proprietary musks to mix with your body chemistry for a unique, lasting signature. This cozy fragrance unfolds with the earthy florality of wild saffron, creating a captivating, yet comforting warmth. The heart of the scent is a harmonious blend of creamy sandalwood and spiced woods, evoking a sense of velvety sensuality. Lush and milky vanilla suede caresses bare skin with indulgent sweetness, surrounding your senses in a veil of clean musks at the base.

## FROM THE PERFUMERS

*"Bare Sueded Vanilla captures the fleeting warmth of autumn's golden light and the tactile luxury of suede against skin. Vanilla has always been a comforting constant—not only for its creamy sweetness, but for its timelessness. It's more than just an ingredient: it's a reminder of the small indulgent moments that make life a little sweeter."*

— Perfumer, Caroline Sabas

*"There's a sophistication in the way airy vanilla intertwines with the tactile nature of suede—it's luxurious yet grounded and we wanted to capture that richness. The result is something intimate yet opulent."*

— Perfumer, Rodrigo Flores-Roux
